Talbot Green Shopping Park welcomes local choirs to bring Christmas cheer to shoppers

Talbot Green Shopping Park is looking for local choirs to entertain shoppers and bring extra Christmas cheer to the planned festivities at the Park.

The Shopping Park has invited local groups, schools and charities to raise funds at the Park since 2006 and has seen more than 30 choirs performing, raising hundreds of pounds for various charities and school funds.

To get into the Christmas spirit, the Park's 15 high street stores will be extending opening hours from November, to ensure shoppers can enjoy Christmas shopping without the hassle.

Talbot Green Shopping Park spokesperson Emma Johnstone says: "Christmas can be an especially hectic time for shoppers so entertainment like the choirs will help to create the perfect Christmas shopping atmosphere. What's more, the choirs will be raising money for worthwhile community causes."

Lisa Bailey, Headteacher at Tonysguboriau Primary School, will be sending 60 pupils from the junior school to the Park for the third time in December. She says: "The pupils are really looking forward to performing at the Park, and bringing Christmas spirit to Talbot Green. For the past three years we have enjoyed taking part in the Christmas festivities to entertain shoppers while raising vital funds for the school."

The choirs can choose to collect for the charity or special cause of their choice. Any choirs or vocal groups interested in performing at Talbot Green in December should contact Lisa Hocken on 02920 764100 or lisa@equinox-pr.co.uk
